

UGC RE-OPENING MANDATORY DOS AND DON'TS

Before the Round

- DO book your tee time online
- **DON'T come to the Club if you are feeling unwell**
- **DON'T** forget to get changed into your golf attire at home and put your shoes on in the car
- DO eat before you get to the Club – remember the kitchen won't be open to make you your favorite snack
- **DON'T** arrive at the Club earlier than 15-30 minutes prior to your tee time
- **DON'T** drive past the Club entrance without being subjected to a temperature monitor procedure.
- DO follow all the Government guidelines when you come to the Club
- Do sanitize or wash your hands before setting out for the round.

During the Round

- DO stay two meters apart at all time
- **DON'T** go onto the 1st tee or 10th tee until it is your time to play, ensuring 10-minute gaps between groups
- DO follow any special routing laid out by the Club
- **DON'T** play in groups of more than three (3)
- DO be respectful of the condition of the lockdown course – the green keeping staff have been under tremendous strain during the period
- DO only touch your own golf equipment – bag, clubs and ball
- **DON'T** touch flagsticks, bunker rakes, stakes, and playing partner's equipment
- Do tidy up the bunker with your club after playing out.
- DO be careful of wandering towards an adjacent fairway and potentially other golfers in search of an errant drive

After the Round

- DO mark and sign your own card or follow whatever system management decides to use
- **DON'T** shake hands or hang around after your round – head straight to your car
- DO NOT expect to have a drink or food as both the bar and the kitchen will not be open.
- DO NOT expect to have a shower after your game as the shower rooms are out of bounds. All the other toilet facilities will be available for use.

And most importantly, DO play safe and stay safe.

Finally remember, that if we all stick to these rules, golf reopening in full will happen quicker than we think.

UGANDA GOLF CLUB POST COVID-9 LOCKDOWN RE-OPENING GUIDE 2020

As you have all been following all information in relation to COVID-19 pandemic, the Uganda Golf Club was closed out to members and the public ceasing almost operations including playing the game of Golf. The Lockdown has affected almost every sector of the country for almost 60 days now and we are looking at a gradual ease as is advised by the authorities.

We expect that once there is an ease of the lock down we hope to play golf again however we also will have to be faced with the fact that COVID-19 corona virus is still infecting people golfers are not an exception.

It's believed that further spread of the virus can be minimized by following the MOH guidelines strictly. Uganda Golf Club will be no exception and thus a set of rules and SOPs have been drafted to guide on prevention and safety of lives while playing golf:

CLUB OPERATIONS

For Uganda Golf club to adhere to the current Ministry Of Health guide lines, SOPs and measures put in place a number of UGC Operational processes have been reviewed. These are in relation to members, staff but most of all the safety of us all.

Reviewed Processes:

- Hands free water washing tanks have been placed in several easy to reach areas thus must always be used.
- More than one temperature gun and check will be used at intervals to ease equipment stress.
- Cleanliness is key thus visible safety guide posters have been placed at eye view areas both for members and staff.
- The pro shop will incorporate sale of authorized PPE.
- We have engaged qualified suppliers for all our Health and Safety material.
- Training of all Essential staff who will be engaged in operations will be carried out on the new guides prior to opening and all must be certified. Continued training following a model will be undertaken.
- To minimize cash handling risk, the Club is implementing changes enable deposits on Members' cards to be made using mobile money (currently Airtel and MTN).
- Club telephone lines are active and manned so must be used for queries that can be tackled instantly.
- The Club web page will be active and updated at all times as one way of providing information.
- The Club Pro will be on site and be able to multitask and if need be assisting with handling all bookings.
- The Club Pro will clear players to proceed to the course including allocating single players to groups. This is to

Protect Yourself and Others

You may be able to **reduce your risk** of infection by doing the following:

- Wash your hands** often and correctly.
- The WHO recommends** performing hand hygiene with soap and water or alcohol-based hand rub if soap and water are not available
- Avoid touching** your eyes, nose or mouth with unwashed hands.
- Avoid close contact** with people who are sick or suspected to be sick
- Wear a mask as directed by MOH and as per local requirements.**
- Seek medical advice immediately** if you have a fever or other symptoms. Tell the doctor where you have traveled and contacted

avoid congregation at the starters shed/No 10.

- No Golf lessons should be conducted for the moment.

- The Golf Range will remain closed for an initial 2 weeks as we provide facilities for cleaning balls in between use and establish procedures for social distancing at the range.

- There will be no caddies initially and players will have to self-caddy. For safety reasons, and to keep the game flowing, the Club will engage ball spotters at select locations. The spotters will be drawn from the Club's caddy roster on a rotational basis by the Club Pro.

- Bar and restaurant services will remain closed for an initial 2 weeks as we implement the new procedures relating to the game of golf which is the Club's priority. Golfers are therefore advised to carry own food and drinks for consumption during play.

- Green fees have been revised to take into account these safety measures which will likely result in increased costs.

- These guidelines will be updated as and when the need arises (e.g. to adopt changes in MOH guidelines, incorporate lessons learned from their implementation, best practice from other clubs etc.)

Club/Golf Buggy Cleaning

1 Fold cloth into quarters.

3 Clean all touch points on Golf Buggy to ensure effective disinfection.
